

Drazek/Fuscaldo Feat. Drake/Aoki/ Jones/Abrams

June 22

ASTRAL SPIRITS/FEEDING TUBE. [DL/LP](#)

Chicago duo
Przemyslaw Kryś
Drazek (guitar,
trumpet) and Brent
Fuscaldo (vocals,

guitar) who used to operate as
Mako Sica, are joined by some
hitters from the local post-rock/
jazz interface including Natural
Information Society's Josh
Abrams and percussionist Hamid
Drake. The results occupy a kind
of fourth-world interzone; limber,
free-floating explorations that
accrue, thanks to Fuscaldo's
chants, devotional heft. *JM*
